Subject: Re: Bishop Tube Site - PADEP POC

Hello M.P.

In an effort to ensure that you receive the most up to date information on the site and have technical questions addressed...I have reached out to PADEP who has primacy regarding Bishop Tube Site. My colleague Patrick Patterson @ PADEP is the appropriate & proper POC for your inquiry. Please do reach out to him so he may schedule a discussion; as I will be cancelling the call I initially set up. He will be expecting your call soon.
